Mountain Motorcycles

Sherco and Beta

Cascade Motorsports

Ossa, Gas Gas, Montesa, and
Scorpa

Gas Gas Pacific

Canadian Gas Gas Importer

The Format:

This event is FREE!!!

FREE demo rides on many new and used bikes, including 2013 models.

FREE food!!!

Bring your family, friends, and anyone who want to try trials.

As well as bikes to try and buy, the dealers will have parts, gear, and accessories for sale.

The dealers will be ready with sign up sheets for the bikes available, and you sign up for whichever bikes you like.

Any members with used bikes to sell are welcome to bring them.

Volunteers will be on hand to answer questions, help you find bikes to try, and lead short demo rides.

Women and Girls:

Do you want to try out trials?
Are you worried about keeping up or fitting in with the boys?
Do you want to meet girls who ride, and get help and information from girls who ride?

Come to this demo day!!!

There will be girl riders there, specifically for you, to work with you one-on-one, get you on a bike, take you on a demo ride for your ability level, and give you an opportunity to safely try trials.

Trials is motorcycle riding for girls!!! The bikes are light and small, your feet touch the ground, we go slow and favour balance and precision over speed and strength.

What you need to know:

*you do not need a special membership to ride this event. However, you will be able to purchase a CPTA membership.

***helmets are required.** Other gear is recommended, such as boots, gloves, and knee pads.

*our riding area is for Trials bikes only. Please do not bring out bikes other than trials bikes. (Bicycles OK.)

*Bring out friends, family, anyone who wants to try out trials. But the parking lot will busy, so please leave pets at home.

*While everyone is welcome to come and experience trials, there will be no "small wheel" bikes for children to try.

*Although there will be volunteers on hand to answer questions, help you find bikes to ride, and lead short demo rides, there will be no formal instruction.
